

Day Campers: What to Bring

Please eat breakfast each day before arriving, we will offer a snack each day. Day campers will need to bring a disposable bag lunch each day, we have refrigerators they will be stored in. Please write the camper's name on the bag.

Please bring:

- Comfortable clothes appropriate for active, outdoor summer activities. This includes sneakers with socks that cover the ankles. We suggest that shirt sleeves fully cover the shoulders to help prevent sunburn. *We will be playing hard, and clothes may get stained and dirty while having the most epic summer ever. We walk A LOT, comfortable closed toe shoes/hiking boots.
- A smaller sized backpack or bag to just carry daily items. (sunscreen & bug spray and water bottle) Oversized bags make the campers tired.
- Sunscreen & insect repellent
- Hat or baseball cap or bandana
- Reusable water bottle
- Swimsuit and towel
- Medication: This will be given to camp staff at check-in. It should be in the original container.
 1. Please include all medicine in its original container and placed in a clear, Ziplock bag, labeled with your campers name.
 2. This includes OTC and prescription.

The following items should NOT be brought to camp:

- Camp is not responsible for lost, damaged, or stolen items. Please do not send valuable cameras (disposable cameras with the camper's name on them work quite well) or other items that might be damaged if brought to camp.
- Weapons of any kind: knives, firearms, bows & arrows, etc.
- Electronic Devices: tablets, cell phones, video games, any other personal entertainment device.
- Food, candy, or snacks, etc. (including chewing gum)
- Fireworks, matches/lighters, or any hazardous materials
- Alcohol, tobacco, or drugs
- Skateboard/scooters
- Jewelry and other valuables
- Expensive clothing or anything that you or the camper would be upset if it became: scratched, stained, broken, lost, or unrecognizable.
- **Pets must stay home.**
